<p>1. I was interested in meeting the Soviet delegates to the Third International Poliomyelitis Conference in Rome in August 1954, and I was told that they were there although I could not find them. They gave no papers, entered into no discussions nor provided any demonstrations to the best of my knowledge. I did not see Konstantine Vinokourov, Soviet delegate to the 1951 international conference in Copenhagen. The following satellite delegates were present:</p> <p>Czechoslovakia: Mudr Vilem Skouranek Prof Jaroslav Prochazka Mudr Helena Libikova Mudr Karel Zacek</p> <p>Hungary: Prof Ivanovics Gyorgy Prof Csapo Yozsef</p> <p style="text-align: center;">- end -</p> <p>polio conference 148 Italy 83 54 - 54</p> <p>95-45.6 33.2, 39.1 Rome</p> <p style="text-align: right;">28 DEC 1954</p>
